

GREEN MOUNTAIN MEDICINE FEE SCHEDULE

NEW PATIENT VISITS:

Note: Supplements and lab testing prices vary and are not included.

Comprehensive First Evaluation Bundle (2 Visits, Carroll Food Intolerance Eval.) . . . \$435, billed separately at each visit

This new patient visit bundle is the best value and recommended for patients with complex or multiple health concerns.

- Visit 1 (\$300):
 - Comprehensive review of your health history & body systems, and physical exam
 - Carroll Food Intolerance Evaluation and Chinese Medical dietary evaluation
- Visit 2 (\$135):
 - Review the results of your Carroll Food Intolerance Evaluation
 - Review of other findings and delivery of your Wellness Plan, which may include homeopathy, herbal formulas, nutritional supplements, lifestyle and/or dietary modifications, as well as other treatment recommendations
 - Laboratory testing recommendations and referrals, as appropriate

Stand-Alone First Office Visit . . . \$215

This new patient visit is most appropriate for patients with less complex health concerns. This visit includes a focused history, physical exam, and lab testing recommendations, as appropriate. This visit does not include a Carroll Food Intolerance Dietary Evaluation. Depending on the complexity of your visit, a Standard Follow-up Visit may be required to review the findings of your evaluation and deliver your Wellness Plan.

New Patient – Acupuncture Consultation and Treatment . . . \$170

This visit is for new patients seeking acupuncture and includes a brief Chinese medical interview, Chinese medical exam including pulses and other traditional diagnostics, followed by an acupuncture treatment.

Carroll Food Intolerance Evaluation . . . \$215 (does not include follow-up consult)

The sole focus of this brief visit is to perform a dietary evaluation and collect a single blood spot sample which the doctor uses to perform the method we use to identify foods you don't tolerate as well as beneficial nutrients. The results of your evaluation will be emailed directly to you, or you may choose to schedule a follow-up consult where details of your results will be reviewed with your doctor.
